

Dr. Petrus Krog
Coulee Medical Clinic

October 1, 2026

Dear Patient,

I am writing to inform you that I will be leaving Coulee Medical Clinic and relocating to British Columbia with my family. My final day of practice at the clinic will be December 31, 2026.

It has been a privilege to participate in your medical care, and I sincerely appreciate the trust you have placed in me. It is not a decision I have made lightly, however, it is necessary in order to achieve a better work-life balance and to spend more time with my family.

I realize this transition may be difficult. Please contact Coulee Medical Clinic, and clinic staff can assist with arrangements for your ongoing medical care, provide information regarding access to or transfer of your medical records, and connect you with available resources for locating a new primary care provider.

If you are currently undergoing investigations, awaiting laboratory or imaging results, waiting for a specialist consultation, or are receiving treatment for an active medical condition, please ensure that appropriate follow-up arrangements are made before my departure. I will make every effort to schedule appointments and address any outstanding medical concerns prior to this date.

For urgent medical concerns, please seek assessment through the appropriate urgent care or emergency services.

Thank you for allowing me to be involved in your care. I wish you and your family continued good health.

Sincerely,

Dr. Pieter Krog
